# Poly Clay

- Kato polyclay, the ultimate polymer oven-hardening clay
- Polymer clay for artists, by artists.;
- Minimal color shift from raw to cured clay
- Easy conditioning and handling

Donna Kato is a well-known polymer clay artist and teacher. She has written several books about polymer clay including "The Art of Polymer Clay." In addition to her many works, she has also released several instructional videos. With the help of Donna Kato, Van Aken International was able to create the ideal polymer clay; the first polymer clay by an artist, for an artist.
